

## From Taneatua to Italy

THE Tuhoe documentary *Ever the Land* will screen in Venice this weekend.

The acclaimed documentary about the Te Wharehou o Tuhoe will screen twice in the auditorium of the Fondazione Querini Stampalia on Saturday as part of the public opening of the city's famous Architecture Biennale.

The documentary tells the story of the design and construction of the unique cultural building Taneatua that serves as the headquarters for Tuhoe.

In Venice, Te Wharehou o Tuhoe will also be represented in the New Zealand exhibition Future Islands.
