Kia ora tatou.

I was very pleased to read and consider Te Kawa draft.

I want to add my support particularly to part 2.1 The Use of Te Urewera Traditions and Beliefs in Maintaining Nature's Power. The six principles appear to set out a comprehensive framework for approaching opportunities and problems both current and as yet unforeseen. I applaud this approach and look forward to seeing it applied in practice to the issues facing Te Urewera.

Heoi ano.

Na

Richard McIntosh
