

# **Position Description – Practice Nurse**

# Tūhoe – Te Uru Taumatua Values

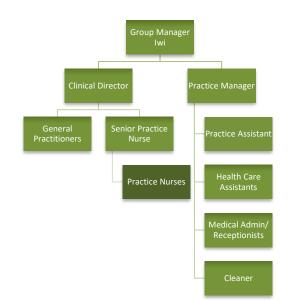

Mana motuhake is our way to secure the permanence of Tūhoetana in the lives of current and future generations of Tūhoe. Seemingly, our COVID-19 experience served up greater surety on this approach. Our need then is to enable lifestyles that naturally live these virtues in our behaviours, our aspirations, our practices and our priorities. These beliefs that come from our legacy and kinship to all living things, the mutual respect we owe each to the other including the world around us. This is our context for raising responsible, resilient whānau, hapū and whārua.

### Working for Tūhoe – Te Uru Taumatua

Working for Tūhoe - Te Uru Taumatua comes with a duty to bring to life the achievement of Tūhoe-Tribal goals including the standards of discipline and excellence needed to usher in the next generation of Tūhoe. As the office of the Iwi we are of course not the Iwi, we are not hapū, but we exist to serve the strengthening needs of hapū and Tribal leadership responsibility. Evenly and at all times, we serve a trinity of aims; the growth and development needs of our Tūhoe Tribal communities; the need to perpetuate a honourable past and legacy; and positioning well for the unborn future generations of Tūhoe. As such we are a kinship organisation, a culture, communities – a whakapapa; we are not a corporate entity.

### About this role

The Practice Nurse has accountability for the delivery of primary care nursing support, patient interventions and treatment based primarily at the Kawerau Medical Centre. As part of the general practice team, responsibilities will include working within the scope of practice and for providing patient-centered, culturally appropriate and holistic care to patients and whanau. The Practice Nurse will work closely with the medical doctors, clinical and non-clinical team members to provide efficient, effective professional nursing services to patients and community members. This position forms part of the wider Tuhoe Medical Centre Team and reports directly to the Practice Manager.

# **KEY RESULT AREAS**
